From,

The Deputy Commissioner,
Shimoga District.

No. 363/87 dated 27th May 1913.

States in reply that there are no references available either in the Taluk office or in the Matt to the effect that an elephant was ever supplied to the Matt from the Palace or from any Department of Government and what the value thereof might have been, but that the Swamigalu on being asked personally by the Amildar in the matter has stated that out of the two elephants supplied by the Mysore Government to Sri Krishnapura Matt at Udupi one was gifted to him and that as the annual dies four years ago, an elephant might be granted in view of the importance of the Matt.

Submitted for orders. The Conservator of Forests has since reported in another connection – (in the Kambinwara known temple at Nanjangud for carrying abhisheka water) that no elephants are available.

May the Matt be informed accordingly.

From

L.Srinivasa Rao, Esquire.,
Deputy Commissioner,

To

C.R.Srinivasa Iyengar, Esquire., B.A.,
Collector and Magistrate of Bellary,
Through Proper Channel, Bellary.

Sir,

In reply to your docket Collr/Ad -1--- dated 20th March 1912 calling for further information regarding the gift of an elephant to Sri Puttige Matt at Tirthahalli I have the honor to state that from the vernacular papers received from the Tirthahalli Taluk Bailder's report No. 979 dated 15th May 1912 on the subject, it is ascertained that no references are available either in the Tirthahalli Taluk office or in the Matt to show whether an elephant was given supplied to the Matt either from the Police or the Department of Government, and what the value thereof have been.

2. When the Swamigalu of the Matt was personally spoken to the matter by the Amildar of Tirthahalli Taluk on 3rd 1912, he stated that about 25 years ago two elephants were supplied by the Government of Mysore to Sri Krishnapur Matt at Udipi, one of which was gifted by the Swamigalu thereof to Sri Puttige Matt and that the animal died about four years ago. It was also mentioned that as the Swamigalu would often reside for six months in the year in the Matt at Kuruvalli near Tirthahalli, an elephant was required for the use of the Matt

Matti.

3. Under the above circumstances, it is not possible to obtain any reliable information regarding the gift of an elephant to the institution on a previous occasion.

4. The vernacular papers received with the Amildar's report No.270 dated 15th July 1917 are forwarded to enclose with the petition under report.

I have the honour to be,

Sir,

Your most obedient servant,

Personal Assistant Commissioner,
